Position Summary: In partnership with the Mt. Adams Institute, the Umatilla National Forest seeks an intern to support engineering and facility projects. This position would be 80% technical in nature, including training in basic Forest Service facilities, fleet, and engineering functions. The intern would acquire experience in a variety of Forest Service technical roles in order to compete and transition successfully in to an entry level Engineering, Facilities, Fleet, Maintenance or related position. The position would report to the Forest Engineer and/or Facilities Manager for immediate oversight, and would be assigned/identify a Forest Service mentor in one of the primary functional areas in the agency (admin, fire/fuels, natural resources, planning, recreation, etc...). The intern would be provided the opportunity for up to 20% of their tour in complementary experience in the primary functional areas. The intern could attend fire school and provide technical support to local incidents.

General Responsibilities (to include, but not limited to):

1. Facilities management, transportation system management, and general administrative functions (basic purchasing, contracting, file management, reporting procedure) following Forest Service policies and practices.

2. Facilities inspection, basic maintenance tasks, road and trail drainage inspection, surveying, introductory level CAD projects, and similar according to individual experience and development plan.
3. Interdisciplinary projects supporting functions related to facilities and engineering including managing historic structures, constructing/maintaining transportation structures to limit or permit aquatic organism passage, design and maintenance of trails for foot, horse and OHV traffic, structures for controlling vehicles, livestock and other traffic, etc.
4. Gain familiarity with roles of other regulatory entities related to facilities and engineering roles, including other state, local and federal agencies and regulations.
5. Learn how to identify and document proposed project timelines and critical paths for planning and implementation.
6. Work effectively in a team of other engineers, technicians and interdisciplinary specialists.
7. Attend training and complete certification in relevant functions including administrative, personnel and technical training.
8. Assist other Forest Service resource functions including but not limited to: administrative/frontline, fire/fuels, fisheries, hydrology, range management, silviculture, and timber.
9. Complete a Community Action Project that is identified by the Intern, researched, and implemented during the term of service.
10. Attend and complete all MAI/AmeriCorps training and service requirements including orientation, trainings, team meetings and national service days.
11. Complete and submit all necessary MAI/AmeriCorps paperwork and reports in a timely manner.
12. Wear an MAI uniform and/or appropriate identifiers and required safety gear while performing service or attending official events.

Position Requirements:

1. Must have a valid driver's license, clean driving record and ability to provide documentation. Must comply with Driver Certification and Safety Agreement (see VetsWork Application Documents on website).
2. Attend a mandatory orientation in Corbett, OR from 3/18 to 3/22, intern trainings in Trout Lake, WA (food and lodging provided for orientation and trainings), and intern meetings.
3. Ability to perform routine tasks such as answering telephone, taking messages, transferring calls to ensure related work contacts are conveyed to other engineering employees or staff as appropriate.
4. Knowledge and experience using Microsoft Office platform including Outlook, Word, Excel, PowerPoint.
5. Ability to perform recurring tasks with minimal supervision after introductory training period.
6. Ability to recognize when situation deviates from routine conditions, identify potential solutions, and seek supervisory assistance in complex situations.
7. Excellent work ethic, cheerful disposition, and interest in creating a new perception of public service.
8. Comply with all established agency safety policies and procedures.
9. Ability to work with people of various age, interests, backgrounds and beliefs.

10. Interest/proven performance in exploring and experiencing a unique rural community in remote northeast Oregon.
11. Ability to work safely with others in remote settings, complex terrain, narrow roads and trails, and move cross country through varying topography off roads or trails or in streams.
12. Meet other requirements of federal employee (eg. background check)
13. Must have served in US Armed Forces and have a DD214 with an honorable discharge.
14. 21 years of age at beginning of service term.
15. U.S. citizen, national or lawful permanent resident.
16. Possession of a high school diploma or equivalent, or commit to earning one prior to receiving an education award.
17. Ability to commit to the full 45-week term of service.
18. Selection, placement and retention are contingent upon passing the National Sex Offender Public Register and a national FBI fingerprint check. Position does have recurring access to vulnerable populations.
19. Members are eligible to serve up to four terms of service and receive AmeriCorps Education awards for each term of service up to the value of two full time education awards only. It is the responsibility of the applicant to inform MAI of any previous service in an AmeriCorps program, regardless of whether or not they completed the previous term(s) of service. MAI is not liable for providing an Education Award to a member if they are not eligible under the Corporation for National and Community Service AmeriCorps guidelines.

Preferred Qualifications:

1. Interest and/or prior experience with problem solving in hands on or theoretical situations.
2. Current state driver's license without restrictions.
3. Outstanding references.
4. Experience living and working in remote locations with limited amenities.

Member Benefits Include:

1. A total taxable living allowance (before taxes) of \$13,500, paid over term of service.
2. Upon successful completion of a term of service, eligible members receive an education award of \$6,095. The education award can be used to repay qualified student loans, for further education in an accredited institution of higher learning, vocational or trade schools. The education award is taxed in the year that it is used.
3. Loan forbearance (after successful completion of a term of service, AmeriCorps will pay the accrued interest on qualified loans, which is taxable).
4. Basic medical insurance (covers members only, not dependents; vision and dental not included).
5. Child care allowance for those who qualify.
6. VetsWork is an apprenticeship program approved by the Department of Veterans Affairs (VA) and the Department of Labor. Members with G.I. Bill benefits may be able to dual enroll as an apprentice and access their Monthly Housing Allowance (MHA) of up to approximately \$2400 per month. Actual benefits vary by individuals' qualified benefits.
7. Professional development, trainings and networking opportunities.
8. Free housing for intern provided by service site.

Transportation Information:

1. Project site is not accessible by public transportation.
2. Agency/Organization vehicles are available for work-related travel.
3. Intern is responsible for travel to and from orientation and to and from duty station.

Equal Opportunity:

People of color, people with disabilities, veterans and LGBTQ candidates are strongly encouraged to apply. MAI is committed to a diverse workplace and to supporting our staff with ongoing career development opportunities. MAI is an equal opportunity employer and does not discriminate in its employment decisions.

MAI provides reasonable accommodations to applicants and employees as required by law. Applicants with disabilities may request a reasonable accommodation at any point in the employment process.
