### IMPORTANT

- Please remember your camper's booster seat or car seat (if they use one). They are not provided.
- If you are running late to drop off your camper, please contact the shuttle driver. They may need to direct you to another drop-off location or ask you to drop off in Trout Lake
- If you are late to pick up your camper in the afternoon, you may need to **drive to Trout Lake** to pick them up, as the shuttle needs to return for other program use.
- Sometimes the shuttle is delayed 5-10 minutes due to traffic, camp wrap up, etc. Don't be worried. We will contact you if there are major unexpected delays.
