SERVICE DATES: February 7, 2022 to December 16, 2022 (1700-hour position)

for the greatest good

POSITION SUMMARY: In partnership with the Mt. Adams Institute (MAI), the Siuslaw National Forest will sponsor a VetsWork AmeriCorps Intern to serve as an Integrated Resources Technician. This position will assist in the management of the Siuslaw National Forest's efforts to connect people to their national forests by collaborating with professional natural resources management staff. The intern will plan and implement forest restoration and recreation improvement projects and will coordinate work and education experiences for local students. The intern will also assist with the backlog of annual and deferred maintenance of recreation facilities including activities like building or painting sign boards, cleaning campsites, installing fire rings or picnic tables, mowing grass, trimming vegetation, and maintaining trails.

From forest floor to ocean shore the Siuslaw National Forest stretches from the lush forests of the coastal mountains to the unique Oregon Dunes and the beaches of the Pacific Ocean. The Forest sits within the Oregon Coast Range, a mountain range that runs north to south from the Columbia River to north central California. The Siuslaw National Forest is bordered on the east by the Willamette Valley and the west by the Pacific Ocean and is one of only two national forests located in the lower 48 states to claim oceanfront property. Mary's Peak, the highest peak in the Coast Range at elevation 4,097, is a prominent view west of Corvallis. The Siuslaw National Forest is a very diverse and productive region extending from Tillamook to Coos Bay along the Oregon coast.

ESSENTIAL FUNCTIONS (TO INCLUDE, BUT NOT LIMITED TO):

- Clean and maintain public vault toilets in developed recreation areas.
- Clean up litter left by forest visitors, including dump sites.
- Conduct surveys, monitoring, and treatment of non-native invasive plant species.
- Serve as the Northwest Youth Corps liaison for a 10-person youth crew for an 8-week period during the summer
- Mow and use weed removal equipment, use hand and power equipment (such as shovels, rakes, Pulaski, chainsaws, and mowers), along forest recreation area roads, campgrounds, boat ramps, trails, and trailheads.
- Assist resource professionals with field projects in wildlife, botany, fisheries, recreation, fire, engineering, and timber.
- Attend and complete all MAI/AmeriCorps trainings and service requirements including orientation, trainings and team meetings.
- Complete and submit all necessary MAI/AmeriCorps paperwork and reports in a timely manner.
- Wear MAI identifiers and required safety gear while performing service or attending official events.

PREFERRED QUALIFICATIONS:

- Experience supervising work crews.
- Experience with students and/or trainees.
- Interest or experience in natural resources management (e.g., forestry, fisheries, fire, wildlife, recreation).

BENEFITS INCLUDE:

- VetsWork is an apprenticeship program approved by the Department of Veterans Affairs (VA) and the Department of Labor. Members with G.I. Bill benefits may be able to dual enroll as an apprentice and access their Monthly Housing Allowance (MHA) of up to approximately \$2,400 per month. Actual benefits vary by individuals' qualified benefits.
- \$16,875 living allowance paid over the 10 ½ -month term of service (\$375 weekly, before taxes).
- \$6,495 education award (qualified student loans and/or education expenses)
- Loan Forbearance
- Health Care Insurance
- Child Care Reimbursement

- Professional development, trainings and networking opportunities.
- Safety trainings needed for all activities.
- Trainings necessary to complete all projects and any required certifications. These are funded and provided as paid, on the job training.
- Travel and training costs for trainings conducted off-site.
- Mentoring and training from an experienced team of natural resources management professionals.

HOUSING:

- A \$500/month housing stipend provided by service site.
- Low-cost housing for intern is available through service site.
- Shared bunkhouse available with cooking, laundry, and wireless internet. No pets allowed.
- There are very limited rentals in the nearby communities of Lincoln City, Pacific City, and Tillamook.

TRANSPORTATION INFORMATION:

- Agency/Organization vehicles are available for work-related travel.
- Intern is responsible for travel to and from duty station.
- There is public transportation servicing the Highway 101 corridor between Lincoln City and Tillamook, OR.

OTHER CONSIDERATIONS:

- Hebo is a very small, rural community that has its history in dairy farming, timber, and salmon fishing. All of this still exists today, but at a smaller scale.
- Hebo is 10-20 minutes from the Pacific Ocean and the world-renowned Cascade Head Scenic Area. Tillamook County is known for its dairies and local cheese (Tillamook Cheese is made here!).
- This is the recreation stop for urbanites in Portland and the Highway 101 corridor accesses the entire west coast. Although the community is small and rural, outdoor recreation opportunities are limited only by your imagination!
- It rains a lot in the winter, but not as much in the summer. It is rural here with minimal services, but there are two full-service communities within 30 minutes driving (Lincoln City, Tillamook).

DIVERSITY, EQUITY AND INCLUSION:

MAI celebrates equity, diversity, and inclusiveness and does not discriminate against any person or group based on race, ethnicity, culture, age, gender, sexual orientation, expression, gender identity, ability, national origin or ancestry, veteran status, social economic class, religion, professional status, pregnancy, or parents/guardians with children. MAI is committed to a diverse workplace and to supporting our Interns and staff with trainings and career development opportunities.

MAI provides reasonable accommodations to applicants and employees. Applicants with disabilities may request a reasonable accommodation and/or alternative formats at any point in the employment process.
