POSITION SUMMARY: In partnership with the Mt. Adams Institute (MAI), Region 6 National Forests (Oregon & Washington) will sponsor a team of VetsWork AmeriCorps Interns to serve as Condition Assessment Surveyors. A team of 3-6 VetsWork Interns will collect information at recreation sites to improve visitor access, evaluate the condition of existing facilities and develop plans to improve recreation access for people with disabilities. This team will be trained together prior to going to their sites, on fieldwork, data recording, site inventories, planning and accessible features. During their term, Interns may travel within the Pacific Northwest to support other members of the crew at their sites.

ESSENTIAL FUNCTIONS (TO INCLUDE, BUT NOT LIMITED TO):

- Collect infrastructure condition data at developed and dispersed recreation sites (campgrounds, trailheads, boat launches, etc.), historic and or special designation sites, and administrative sites around the National Forest.
- Input and revise recreation, historic and other data in corporate databases.
- Use data system NRM/INFRA for the forest(s) and regularly attend virtual training on how to utilize the system for multiple applications.
- Identify achievable projects to improve accessibility, decrease or eliminate deferred maintenance, and identify areas (where possible) to coordinate with adjacent landowners or partners.
- Photograph/video sites (where appropriate) to be provided to Recreation.gov to establish a baseline for visitor understanding.
- Collect and develop information about recreation sites to share publicly.
- Duties will be performed both in field setting for condition assessments with office assignments to record data into an online computer system.
- Interns will train conservation corps crews to complete maintenance and light construction projects on recreation sites and administrative facilities.
- Attend and complete all MAI/AmeriCorps trainings and service requirements including orientation, training sessions and team meetings.
- Complete and submit all necessary MAI/AmeriCorps paperwork and reports in a timely manner.
- Wear MAI identifiers and required safety gear while performing service or attending official events.

POSITION REQUIREMENTS:

Service Site

- Must have a valid driver's license, clean driving record and ability to provide documentation.
- Comply with all Partner Organizations safety policies and procedures.
- Ability to communicate effectively orally and in writing.
- Ability to take measurements and recordings and document information accurately.
- Comfortable talking with the public.
- Ability to travel to remote forested areas.

Mt. Adams Institute strengthens the connection between people and the natural world through education, service learning, career development and research.

- Ability to serve with others or alone.
- Ability to use and/or learn to use: data recorders, handheld radios, computer tablet, GPS, maps, hand tools and power tools
- Physical activity that involve walking, lifting and climbing over rough terrain with exposure to weather elements.
